It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra death rate elsewhere caused by clim-tic conditions, "An insurance company that reaches too far is liable to disasters common to the merchant who spreads his business over all Creation."

power of cure for all diseases of the blood.

The Harpooner's Story.

\*\*New Bedford, June 1, 1883.\*

Dr. J. C. Ayen & Co.—Twenty years ago I was a harpooner in the North Pacific, when five others of the crew and myself were laid up with scurvy. Our bodies were bloated, gums swollers and bleeding, teeth loose, purple blotches all over us, and our breath seemed rotten. Take & by and large we were pretty badly off. All our lime-juice was accidentally destroyed, but the captain had a couple dozen bottles of Ayen's Sarsaparilla and gave us that. We recovered on it quicker than I have ever seen meabroughtabout by any other treatment of Feurry, and I've seen a good deal of it. Seeing ro meabon in your Almanac of your Sarsaparilla being good for senry, I thought you ought to know of this, and so send you the facts.

Respectfully yours. Ralph Y. Wingate.

Massen, Basutoland's, Africa.) March 7, 1882.

Du. J. C. Ayen & Co.—Gentlemen: I have much pleasure to testify to the great value of your Barsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "veldt-sores." I had those sores for some time. I was advised to take your Barsaparilla, two bottles of which made my sores disappear rapidly, and I am now quite well.

Yours truly,

T. K. Boden,

Trooper, Cape Mounted Riflemen.
